

A photograph of a field of white lotus flowers with yellow centers, set against a blue sky with light clouds. The flowers are in various stages of bloom, with some fully open and others as buds. The image is framed by a thick, dark brown border.

**BECOMING A
PERSON OF
EXCELLENCE**

MEDIOCRITY vs. EXCELLENCE

Mediocrity - ordinariness as a consequence of being average and not outstanding

Excellence - the best quality possible

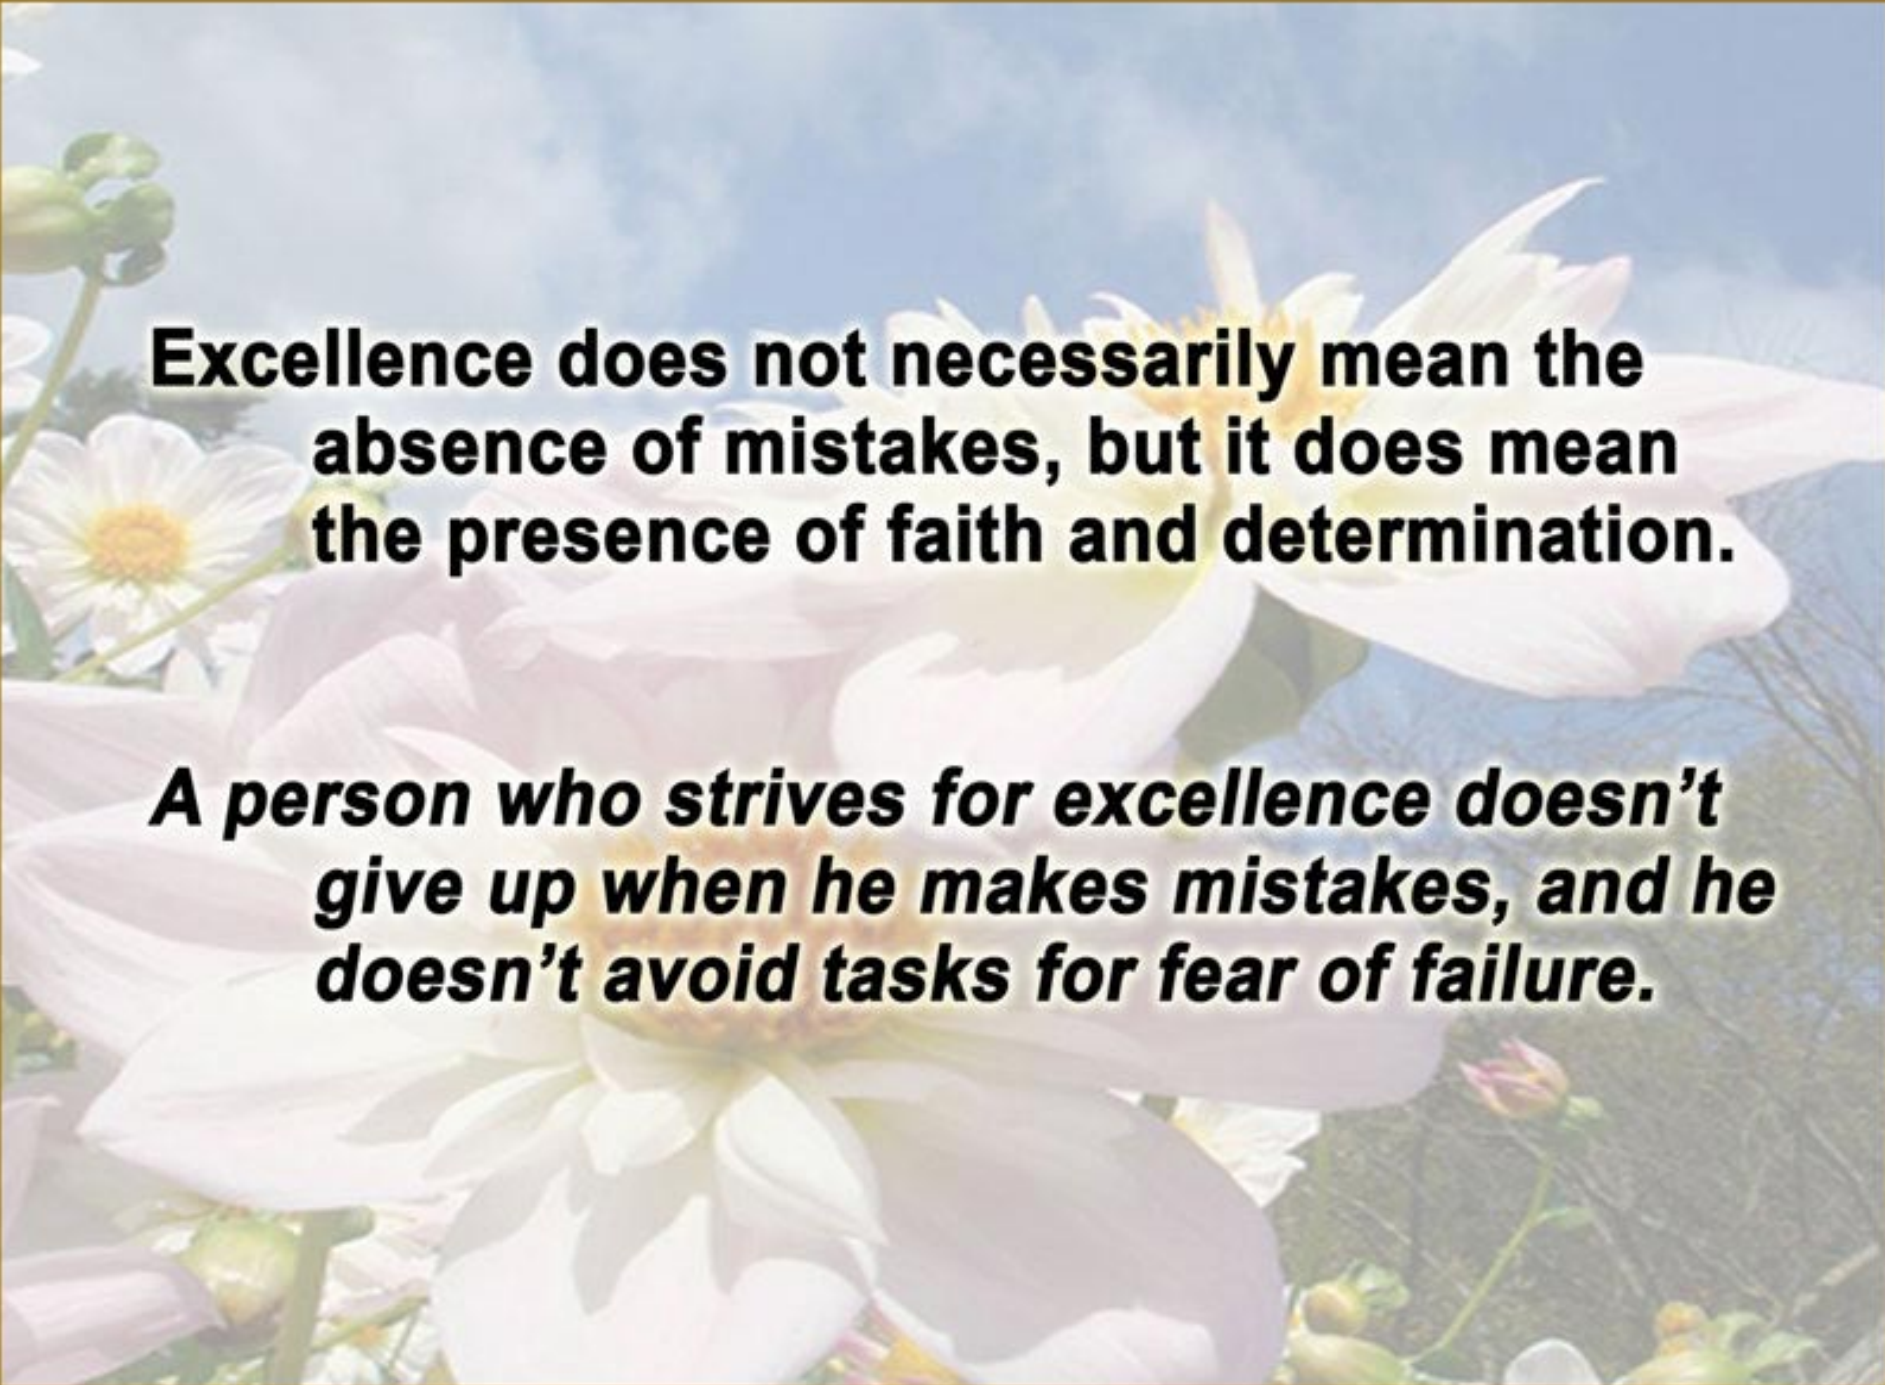

EXCELLENCE means:

Being the best person God intended you to be

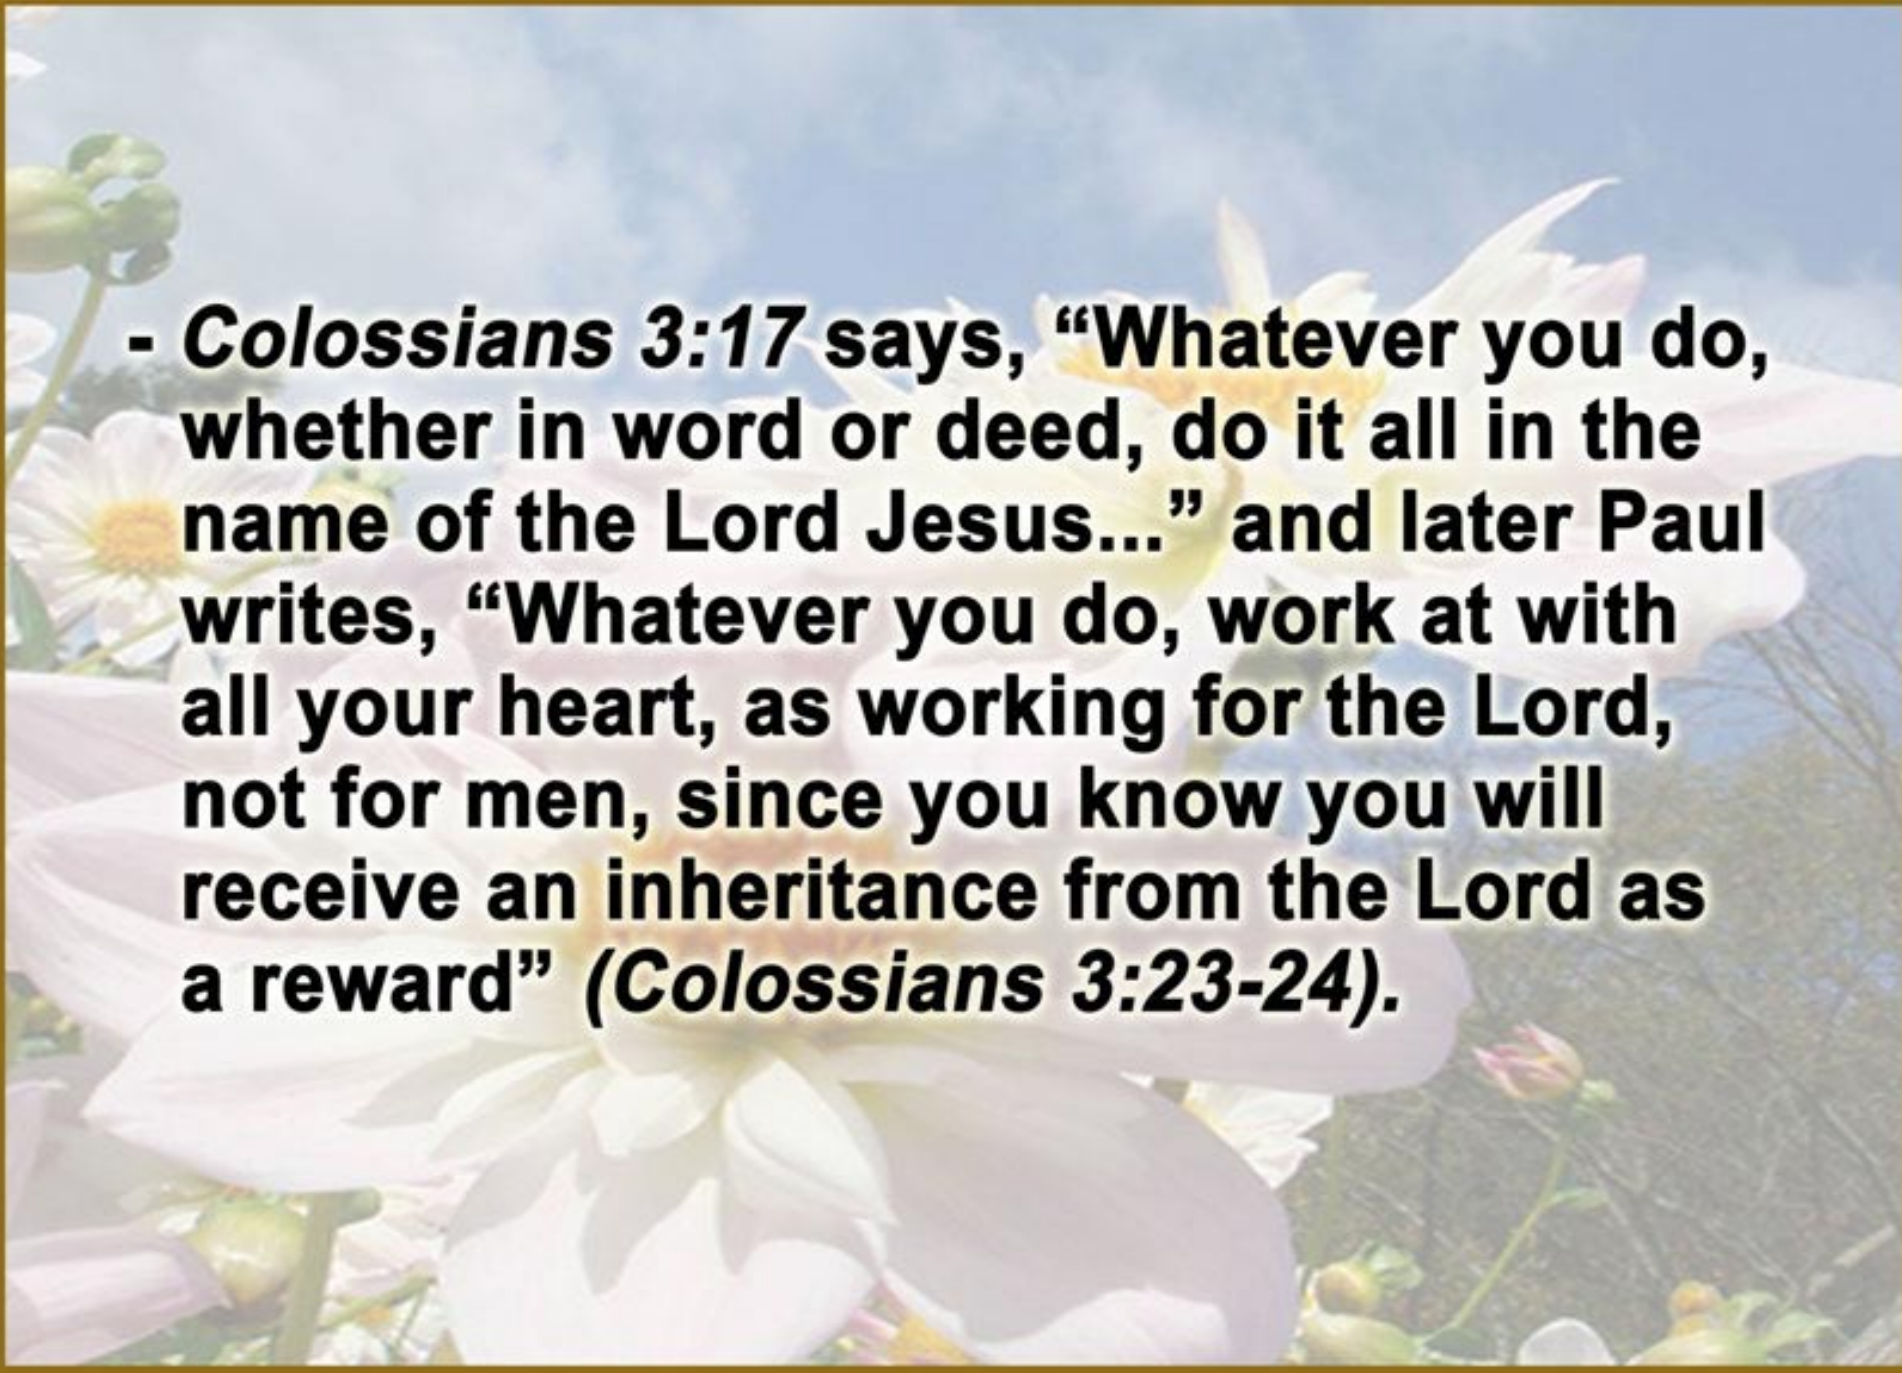

- Vision**
- Commitment**
- Growth**
- Habit**

**Exercising minimal effort
leads to mediocrity.**

Excellence does not necessarily mean the absence of mistakes, but it does mean the presence of faith and determination.

A person who strives for excellence doesn't give up when he makes mistakes, and he doesn't avoid tasks for fear of failure.

- *Colossians 3:17* says, “Whatever you do, whether in word or deed, do it all in the name of the Lord Jesus...” and later Paul writes, “Whatever you do, work at with all your heart, as working for the Lord, not for men, since you know you will receive an inheritance from the Lord as a reward” (*Colossians 3:23-24*).

The **TRUE GOAL** of
excellence is to do the **BEST**
you can with what you have at
EVERY moment.
